How do I access my deposit money?

When arriving in Norway you will receive a BankAxept card at [your local SSN service center](#). This card contains all your funds/deposit money, and you'll receive a four digit pin code to be able to access/use your money.

However, this card cannot be used on all bank terminals. We therefore recommend that you get your own Norwegian bank account as soon as possible. A Norwegian bank card will make your funds more available for you than the BankAxept card. This process takes around three months.

When you have your Norwegian bank card, we will transfer your money from your BankAxept card to your Norwegian bank account.

How do I pay my rent?

Unfortunately, you cannot pay your rent with your BankAxept card (exception: Campus Vestfold). You have three alternatives:

- Make an [international transfer](#)
- On arrival, sign a power of authority that gives us the admission to subtract your rent from your BankAxept card.

Return the BankAxept card

Before leaving Norway, please return your BankAxept card to [your local service center](#).
